ABOUT PROPOST LOGISTICS

Propst Logistics Services is a certified veteran-owned small business providing GOVERNMENT / COMMERCIAL logistic support. The company responds to RFPs, RFQs, RFIs, RFBs and ITNs from the National to the local level. With over twenty years of experience as a military logistics officer and over twelve years as logistics contractor in Afghanistan, Propst Logistics is there to help organizations overcome logistical and transition problems. .

Owner

Propst Logistics Services LLC / Lakeland, Florida / 2017

Provided Reed Mission Critical Support Services a training plan to support Request for Proposal (RFP) Core Inventory Management System training and transition to the Afghanistan National Army (ANA)

- Provided a modular training platform to meet any situation.
- Transition a Civilian curriculum into a Military POI.
- If they won, I would be their Program Manager.

Supply Chain Management Analyst

PAE // N Falls Church, VA / 2019 -2021

Analyze and provided resolution to the movement of repair parts in support of the National Maintenance Strategy- Ground Vehicle Support (NMS-GVS) contract.

- Worked side by side with the AFGHANS to show transparency
- Developed and sustained accountability of old FMS purchases
- Worked with preparing the Maintenance Module for the AFGHANS

Logistics Manager, Mentor and Trainer

DYNCORP / Fort Worth, Texas / 2008 to 2014

I effectively managed the automated supply chain distribution system to include warehousing, accountability of materiel and transparency of the operation.

- Transitioned the Organizational Culture of the ANA and ANP from a manual warehouse system to an automated warehouse system
- Developed and transition the Cataloguing of items into the warehouse
- Developed automated policies for the ANA and the ANP
